To our mother

We thought of you with love today
But that is nothing new.
We thought about you yesterday
and days before that too.
We think of you in silence
We often speak your name.
Now, all we have is memories
And your picture in a frame.
Some may think you are forgotten
Though on earth you are no more
But in our memories you are with us
As you always were before...

We love you Mum

Deb was the most pure of heart
A gentle soul, who would not harm a fly
Always put others first
No matter what they did or who it affected.

She was always your biggest supporter
Never one to judge and always one to forgive

Rest peacefully beautiful sister
