Life Well Lived

A life well lived is a precious gift,
of hope and strength and grace,
from someone who has meant our world
a brighter, better place.

It's filled with moments, sweet and sad with smiles and sometimes tears,
with friendships formed and good times shared,
and laughter through the years.

A life well lived is a legacy,
of joy and pride and pleasure,
a living, lasting memory
our grateful hearts will treasure.

Thank You

For your presence here today and your expressions of sympathy, love and friendship, we are so grateful.

Special thanks to Dr Abbas, Baptist Care and the staff of Pioneers Lodge for the exceptional level of care given to Guido.

Please join us for light refreshments at Romeo & Giulietta's following the service.
