Lords Prayer

Words of farewell

Music: *We'll meet again my friends*

If Tears could build a stairway

If tears could build a stairway
And memories build a lane
I would walk right up to heaven
And bring you back again.

No farewell words were spoken,
No time to say goodbye,
You were gone before I knew it
And only God knows why.

My heart still aches with sadness
And secret tears will flow,
What it meant to lose you
No-one will ever know.

But now I know you want me
To mourn for you no more.
To remember all the happy times,
Life still has much in store.

Since you'll never be forgotten
I pledge to you today
A hallowed place within my heart
Is where you'll always stay.

The Irish Blessing

May the road rise to meet you,
May the wind be always at your back.
May the sun shine warm upon your face,
The rains fall soft upon your fields.
And until we meet again,
May God hold you in the palm of his hand.
May God be with you and bless you;
May you see your children's children.
May you be poor in misfortune,
Rich in blessings,
May you know nothing but happiness
From this day forward.
May the road rise to meet you
May the wind be always at your back
May the warm rays of sun fall upon your home
And may the hand of a friend always be near.
May green be the grass you walk on,
May blue be the skies above you,
May pure be the joys that surround you,
May true be the hearts that love you.
