Grandfather kept a Garden

Our Grandfather kept a garden,,
A garden of the heart;
He planted all the good things ,
that gave our lives their start.
He turned us to the sunshine,
And encouraged us to dream;
Fostering and nurturing the seeds of self esteem.
And then the winds and rain came,
He protected us enough;
But not too much because he knew
We would stand up strong and tough.
His constant good example,
Always taught us right from wrong;
Markers for our pathway
That will last a life time long.
We are our grandfathers garden,
We are his legacy...

We love you Poppy

*Jordan, Liam, Cameron,
M'Kaylee, Maddi and Olivia*
