LOVING PARTNER, FATHER, SON, BROTHER, UNCLE AND FRIEND

He is Gone

You can shed tears that he is gone
Or you can smile because he has lived
You can close your eyes and pray that he will come back
Or you can open your eyes and see all that he has left
Your heart can be empty because you can't see him
Or you can be full of the love that you shared
You can turn your back on tomorrow and live yesterday
Or you can be happy for tomorrow because of yesterday
You can remember him and only that he is gone
Or you can cherish his memory and let it live on
You can cry and close your mind,
be empty and turn your back
Or you can do what he would want: smile,
open your eyes, love and go on.

treasures of the heart...*

The Star

A *light* went out on Earth for me
The day we said *goodbye*
And on that day a *star* was born,
The *brightest* in the sky
Reaching through the *darkness*
With its *rays* of purest white
Lighting up the *Heavens*
As it once *lit up* my life
With *beams* of love to heal
The broken *heart* you left behind
Where always in my *memory*
Your *lovely* star will shine
