*I want to sit by the ocean for a while
and watch the waves coming in, forget
everything and just breathe.*

*May the sun bring you new
energy by day.*

*May the moon softly restore
you by night.*

*May the rain wash away
your worries.*

*May the breeze blow new
strength into your being.*

*May you walk gently
through the world and know
its beauty all the days of
your life.*

Our family would like to thank you all for your love, support and friendship.

We invite you to continue to support Pauline's work with "Survivors Teaching Students" by donating through the link.
