Tuesday 1<sup>st</sup> June 2021 That Fateful Day

# *That Fateful Day*

I can't forget that fateful day,  
You had to leave, you went away;  
A sadness filled me up inside,  
Emotions that I could not hide.

Tears, they came, sadness too,  
All my emotions, just for you.  
Time will heal, so I was told,  
but time could never fill this hole.

Here in my heart there is a place,  
You're always there, keeping me safe.  
It's filled with love and happy times,  
It's never dark, your light it shines.

In heaven now you do reside,  
To watch over me with Love & Pride.  
I know one day, we'll meet again,  
Until we do just know how much I miss you,  
And you are always with me.

ALWAYS !

Love you Dad

An Eternal Memory...

*..Until We Meet Again*

Those special memories of you  
will always bring a smile  
if only I could have you back  
for just a little while  
Then we could sit and talk again  
just like we used to do  
you always meant so very much  
and always will do too  
The fact that you're no longer here  
will always cause me pain  
but you're forever in my heart  
until we meet again

From all Peter's  
cherished friends

*We little knew that morning  
God was going to call your name,  
in life we loved you dearly,  
in death we do the same.  
It broke our hearts to lose you,  
you did not go alone,  
for part of us went with you  
the day God called you home.  
You left us beautiful memories,  
your love is still our guide,  
and though we cannot see you,  
you are always by our side.  
Our family chain is broken,  
and nothing seems the same,  
but as God calls us one by one,  
The chain will link again.*
