Poem In Loving Memory: by *Helen Warren*

She never looked for praises
She was never one to boast
She just went on quietly working
For the ones she loved the most.

Her dreams were seldom spoken
Her wants were very few
And most of the time her worries
Went unspoken, too.

She was there...a firm foundation
through all our storms of life
A sturdy hand to hold on to
In times of stress and strife.

A true friend we could turn to
When times were good or bad
One of our greatest blessings
The woman we called Mum.

Song: Let it be-*Ann Murray*

Poem: "As we look back"

As we look back

As we look back over time, we find ourselves wondering...

Did we remember to thank you enough
for all you have done for us?

For the times you were by our sides. To help support us...

To celebrate our successes. To understand our problems.

And accept our defeats? Or for teaching us by your example,
The value of hard work, good judgement, courage and integrity?

We wonder if we ever thanked you

For the sacrifices you made to let us have the very best?

And for the simple things, like laughter,
smiles and the times we shared?

If we have forgotten to show our gratitude enough

For all the things you did,

We're thanking you now,

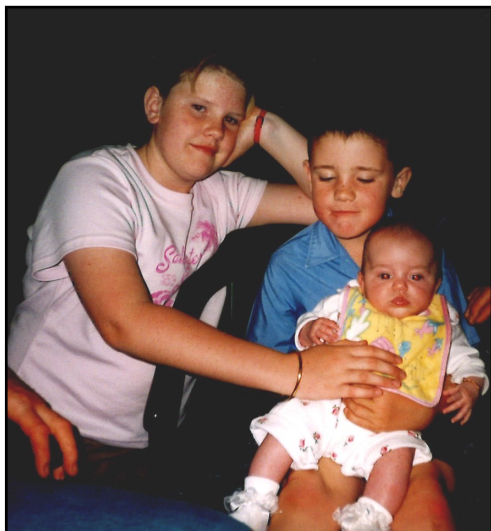

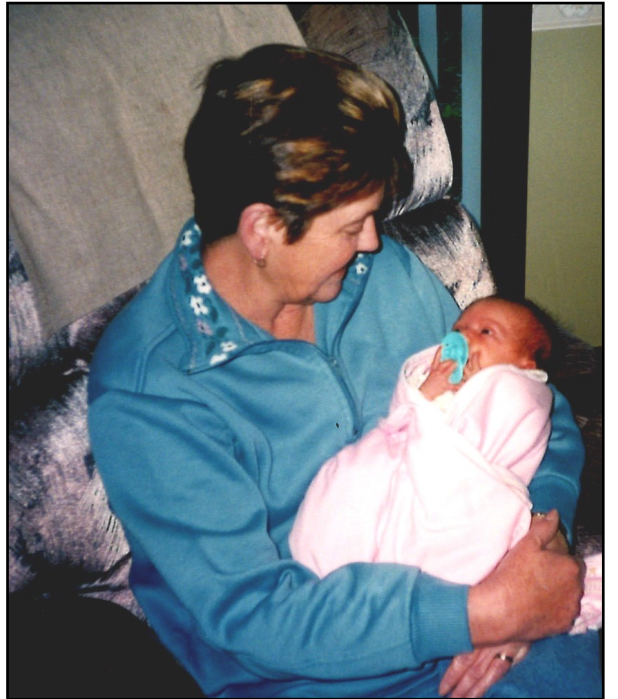

And we are hoping you knew all along,
how much you meant to us.
