My Journey's Just Begun

by *(Ellen Brenneman)*

Don't think of me as gone away
My journey's just begun
Life holds so many facets
This earth is but one
Just think of me as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years
Think of how I must be wishing
That you could know today
How nothing but your sadness
Can really go away
And think of me as living
In the hearts of those I touched
For nothing loved is ever lost
And I know I was loved so much

Give me Away

(by Merrit Malloy)

When I die
give what's left of me away
to children
and old men that wait to die.
And if you need to cry,
cry for your brother
walking the street beside you.

And when you need me,

put your arms
around anyone
and give them
what you need
to give to me....

Look for me
in the people
I've known
or loved....

Love doesn't die,
people do.

So, when all
that's left of me is love,
give me away.
